

# Death Café Dayton

"To die will be an awfully big adventure"  
J.M. Barrie, Peter Pan

Welcome to the conversation you've been dying to have.

The objective of Death Café is to increase awareness of death with a view of helping people make the most of their (finite) lives.

At a Death Café, people, often strangers, gather to enjoy a beverage and discuss death with no agenda or themes. It is a discussion group rather than a support or counseling session.

People often ask why we are doing this. Everyone has his or her own reasons for getting involved in Death Café. The important thing to know is that you have found a place to talk about one of the most important (and most avoided) subjects ever.

All are warmly invited and no one will ever be turned away.
