

Sunset Memorial Park Columbia Road North Olmsted, Ohio

One of north central Ohio's finest cemetery properties.

Sunset is a full service cemetery with Mausolea, Columbaria, all varieties of ground interment.

Serving the west Cleveland suburbs since the 1930's, this beautifully maintained property demonstrates how pre-planning and responsible management benefit property owners, the community and all who seek to memorialize their ancestors.

The addition of the on-site funeral home and family center has extended the ability for Sunset Memorial to provide a level of coordination and convenience for every aspect required for a complete funeral service.

Their facilities are envied by many in the cemetery industry.

We hope you find time to visit our grounds and our lovely features.
