Scott Wright

Community Outreach Director
Calvary Cemetery Association
Dayton OH, USA

BIRTHPLACE:

Dayton, OH

CURRENT HOME:

Centerville, OH

WHEN I TELL ACQUAINTANCES THAT I WORK AT A CATHOLIC CEMETERY:

Most are very surprised to discover how fulfilling cemetery work can be, and then the questions begin. It's a really great ministry.

FAVORITE THING ABOUT CCC:

My favorite thing about the CCC is how welcoming and helpful everyone in Catholic Cemeteries are, especially to newcomers to the industry. No matter the question, there is always someone able and willing to help out.

BRIEF HISTORY OF YOUR ORGANIZATION AND YOUR WORK THERE:

Calvary Cemetery was founded in 1872 by the parishes in Dayton OH to serve the needs of the growing Catholic community. Today, Calvary is home to over 90,000 burials. My role at the cemetery as the Community Outreach Director is to plan the advertising and marketing of the cemetery; outreach presentations in the community, organize public events, and assist with cemetery sales.

FAMILY:

I have been married to Kelly for 4 years and we have two children, Harper (3) and Edison (3 months)

HOBBIES:

Community Theatre; I volunteer behind the scenes as crew, sound, and lighting tech at a local theatre group. I also like to golf and watch football.

BEST TIME OF MY LIFE:

I have enjoyed many different milestones from serving in the military, parish work, getting married to my wonderful wife, the birth of my two children. I thank God for all the blessings I have received.

A GREAT EVENING TO ME IS:

A quiet dinner out with the family and friends

PEOPLE WHO KNEW ME IN SCHOOL THOUGHT I WOULD:

Probably be working for NASA. I started as a volunteer at a local planetarium when I was 13 and I absolutely love stargazing. When I was in college, I had the opportunity to fly experiments on NASA's zero gravity plane as well.

I KNEW I WAS AN "ADULT" WHEN:

I purchased a home for my family and suddenly learned to become a handyman.

MY MOST OUTSTANDING QUALITY IS:

According to my co-workers they say I'm even keeled, great communicator with attention to detail.

IF I WEREN'T WORKING FOR CALVARY CEMETERY ASSOC.

I would probably be a teacher; I love to see when people come to understand a new topic for the first time.

PEOPLE WILL PROBABLY REMEMBER ME FOR:

Compassionate demeanor and being kind in a moment of need.
